

# RELAUNCHING AIR TRAVEL

## Air Passenger Guidelines India - May 2020

1

### PLANNING YOUR TRIP

- Check the health protocols at destination.
- Provide all passengers' email id & mobile No.

*Tip: contact Ekayana Travel for accurate and updated info.*

2

### BEFORE YOU FLY

- Web check-in.
- Only 1 checked in baggage. Affix printed or handwritten baggage tag at home.
- Only 1 small cabin luggage (to fit under the seat).
- Be self-reliant! Pack own food & entertainment.
- Self attest your health status on Aarogya Setu app.

*Pack light! Usage of trolleys at the airport is discouraged.*

3

### TRANSFER TO AIRPORT

- Book an authorized cab with online payment facility.
- Check your flight status before leaving.
- Fully charge your mobile for e-documents.

*Book your cab in advance to avoid last minute stress.*

4

### AT THE AIRPORT

- Reach at least 2 hours in advance.
- Wear a mask and carry a sanitizer.
- Thermal screening, health status & ID check.
- Paperless formalities: baggage receipt by SMS.
- Check in counter will close 60 min. before take off.
- Respect seating instructions & sanitizing protocols.

*Avoid metallic items (belt, jewels...) to facilitate security check.*

5

### BOARDING

- Receive your safety kit: mask, face shield & sanitizer.
- Follow instructions for sequential boarding.

6

### ON BOARD

- Keep your protective gear on.
- Airlines won't give newspapers nor sell anything.
- Eating is forbidden. Airlines can provide water.
- Don't queue at the lavatory.
